EMT-B Refresher Course

This course includes all 24 Core CEUs required for EMT-B recertification. Skills testing and written testing will be reviewed for the following subjects:

- Patient assessment
- Medical, legal and ethical issues
- Health and safety of the EMT
- Medical emergencies
- Airway management
- Oxygen use
- Allergic reactions
- Pediatric emergencies
- Pharmacology
- Trauma management

Course fee is \$175, and includes all materials, as well as recertification of the AHA BLS for the Healthcare Provider, and a non-refundable \$50 deposit. Additionally, the State of California skills examination, which meets NREMT skills requirements, is administered as part of this program. This course has been approved by the County of San Diego, EMS, Provider No. 37-0505 for 24 hours of BLS continuing education credit.
